

JESUS

When they came to arrest him,
they fell to the ground
Yet in his trial,
He made not a sound

They whipped him and beat him,
and pushed thorns in his head.
Little did they know,
He would rise from the dead.

His blood soaked into that wooden cross.
Little did they know,
It was they, that were lost.

He stayed up there,
when he could have come down.
It was for us he wore, the thorny crown

For you and me, he died on that cross
If you do not know him,
My friend, you are lost.

DYING TO SELF Matthew 10:38-39

I thought of the words of an Indian
as my heart was dying that day.
Now these words have struck me,
in a different sort of way.

A Jewish man said the same thing,
2000 years ago.
And to this Jewish man,
This very life I owe.

The words of these men are deep;
though their meanings are worlds away.
If I follow the words of one;
I cannot go astray.

These words I must follow,
I said to myself with a sigh.
The words are simply this,
IT IS A GOOD DAY TO DIE !

Dedicated to the Catholic's

Simon told Mary
that her soul would be pierced.
When you view it with the cross.
It was the understatement of the year.

Luke 2:35

Can you imagine how she felt?
His body all bloody and gory.
She's weeping at the cross;
and remembers his birth was holy

Luke 1:48

All generations would count her blessed,
but she's in pain right then.
Her son is dying for her sins,
and the Spirit he will send

Remember the words of Mary!
Do whatever he tells you to!!
Yes it is to the Lord, not Mary
That you must be true

John 2:5

Blessed be the womb that bore you;
the woman cried out to him.
With no disrespect to Mary,
Jesus smiled and grinned

Luke 11:27

It is to the contrary,
Jesus calmly replied.
Blessed are those who hear God's word
and then his words apply.

Luke 11:28

Mary is special and dear,
and she experienced tears and pain,
but Jesus is the Lord,
and I will call upon His name.

Witnessing

I'll tell people about Jesus,
for the rest of my life.

Most people won't listen.
This will cause me some strife.

But for me to say nothing,
would be as if to say.

That I have nothing,
of value to say.

And that my friend,
would be a lie!

The deity of Christ

Jesus is God?
I thought how absurd!

I was taught different,
every since birth.

Then I was confronted,
with Gods written word.

It cut me deep,
like a two- edged sword.

Jesus isn't God?
I thought how absurd!

How can you argue,
with Gods written word?

Hebrews 4:12

John 1:1&14, Acts 20:28

Discipline from the Lord

Death will come upon me soon
I think it's time to change my tune
Heb.12:6,1Jn.1:9

Ps.7:11-13, Ps.139:7-11
The book of Jonah Eph.4:30,

If my hearts not right with God,
he will bury me in the sod.

I grieved the Holy Spirit today;
because from God I ran away

He warned me of discipline to come
and there is nowhere to run

.
I must repent and turn to him,
and he will forgive me of my sin

Yes I think it's time to change my tune,
or death will come upon me soon.

DEATH

Death, death where is your sting?
I'm not afraid and I want to sing

1 Cor. 15:55

There's not much you can take from me,
when you think what I got in eternity

Death, death, where is your sting?
You will come like winter,
and I will leave like spring!

POEMS

Original thoughts
They can't be bought,
nor can they be sold.

Mysteries have been spoken,
since the days of old.

There are reasons to the rhymes,
like seasons to the times.

And sometimes in the poems,
you must read between the lines.

BABIES

Babies are Gods special gift
Some people tell me of what I missed

A little child I wouldn't mind,
but there is a reason to this rhyme.

I don't need a child of my own,
if my hearts not made of stone

There are children everywhere,
with the need of love that some don't share.

I don't need a child of my own.
I need a heart, not made of stone!

Evolution

They say we came from a monkey,
but they haven't got any proof!

They know it's only a theory,
but they teach it as if it was truth.

They found a man with rickets
His bones were a little deformed

So, there was a new theory
And Neanderthal was formed

Mans imagination is desperate
When he's confronted with God

He will try to believe anything
And bury his brains in a fog

Creation is more scientific
And the Bible is true

So, when confronted with the facts
What do you think you'll do?

CREATION

Jagged mountains,
shot out from the earth
And to a beautiful canyon,
they gave birth.

A natural trail was cut,
into a solid rock wall.
The huge trees were awesome
and ever so tall

The river roared,
through the canyon below.
And in the sky,
was a beautiful bow.

The sunbeams danced,
as they came to the ground.
And the birds they made,
a beautiful sound

Many have speculated,
how this came to be.
There has always been an answer,
but they refused to believe.

It's quite realistic.
....and not absurd
All this came about,
by Gods spoken word.

Gen.1:1

MY FATHER

My father is someone, I never thank.
For me, many a time, his heart has sank.

I never thank him, I caused him grief.
It's about time, he's had some relief.

My father has loved me, all my life.
And for me, he has always sacrificed.

I love him more, than he really knows.
To me he's more wonderful, than any rainbow.

Many ways were alike, in many ways were not.
The bond between us, will never rot.

From my family, I seemed to grow apart.
Yet they hold a special place, within my heart.

Dad, I want to say, before it's too late
I would like to meet you, at heaven's gate.

I love you more, than you'll ever know.
And THANK YOU, FATHER, for loving me so.

THE JEHOVAH'S WITNESSES BIBLE

The New World Translation
It is quite a funny pun.

The people that did it,
the amount of Greek they read, is none

They couldn't read Hebrew,
Or Aramaic either.

Yet they say it is accurate
They say this to the reader.

They add words to change the context.
And they say there's no problem with that

At least now it fits their doctrine,
Therefore, it must be fact

They got a dead Jesus talking
While he's on the cross
And they call it a translation
Just the accuracy is lost.

The New World Translation is the Jehovah Witnesses Bible, A key person in this translation admitted in court he could not read Hebrew. There are numerous problems with this bible which they tried to change to fit their own unbiblical doctrine.

6 FACTS

The book Mormon,
is a great fantasy book.
Some people think it's real,
but take another look

It says Jesus was born in Jerusalem
in Alma 7:10
And there's no archeology!
Ain't that a gem?

It's had 3,000 changes
In the last 200 years
It's about as consistent with their doctrine,
as a schizophrenic I hear

It mentions horses and silk,
before they were imported.
And false prophecies by Smith
There is a great assortment.

The people that believe it,
say look at the great detail!
I say have you ever read the Hobbit?
And then their face turns pale.

Fantasy books I like,
but if you think it's more than that.
There's one thing I want to know,
have you checked out the facts?

Actual Facts: 1. The Book of Mormon says Jesus was born at Jerusalem

And which of these
on the gallows died?

begins to fester

what man can do.
Rather fear the Lord,
like he told us to.

Mat.10:28 & Prov.1:7

Sometimes when it seems as though the whole world is against us, we lose heart. We need to remember to look to the Lord during these times. He is the one in control not the world.

Spiritual Warfare

Satan reached out his wretched hand
He smiled about his wicked plan.
He would kill the believer's faith that night.
Then he would slit his throat and take his life.

1 Peter 5:8

But the believer's faith it did not die.
Because he had Gods word deep inside.
He stood on God's word he wouldn't budge

Acts 20:28

The believer knew of Satan's lie.

No more tears and no more pain
Look at all that you will gain
Because from evil you did abstain
And it was not at all in vain

You kept Gods word deep inside
And in his word you did abide
Yes saved by grace and not of work
The Lord himself did all the work

You are blessed, yes indeed
So go on out, and plant some seeds!
